Active Art will make your little one's first art class super fun combining play and art. Paint with sponges, miniature cars, fingers; crafts with food snacks and more.

Story/Rhyme/Sing Time Flannel board aid will be used during story time that will encourage enjoyment of language - felt stories provide a more intriguing vehicle for sharing a rhyme, a song and short story.

Tumbling will teach tots to properly perform tumbling moves, develop coordination, balance, strength and body awareness; practice social skills such as working with a group, waiting your turn, listening to directions and following directions.

Tiny Tot Bop

Everyone loves to dance, no matter the age! Join us for a fun, imaginative and inspiring tiny tot dance class. Tot Bop focuses on the fundamentals of dance, movement and rhythm. The goal of this class is to spark your child's imagination and nurture individual creativity and expression.
