Windsor Recreation Authority

is pleased to offer the Youth Basketball Program to the students of West Iron County Public Schools. It is the intent of The Windsor Center to introduce students in grades 3rd - 6th to the 'game' of basketball and to give them the equal opportunity to learn and play. The Windsor Center is working cooperatively with the West Iron County Public Schools Athletic Department to introduce a progressive set of skills to be mastered at each grade level. There are no player fees. By hosting a local youth basketball tournament (Feb. 2, 2019) the profits help fund our teams to attend 2-3 tournaments in other communities. We require our local parents to volunteer at the local tournament by way of working at the concessions stands, taking gate receipts, working the time clock or score sheets. The Windsor Center does not provide travel to out-of-town tournaments. Each team has scheduled practices two times per week to improve basketball skills and to prepare for tournaments. Generally, when school is cancelled due to snow days, practice will be cancelled.

 Grades 3 & 4, Boys and Girls 8:00 am - 10:00 am
 Grades 5 & 6 Boys and Girls 10:00 am - 12:00 noon
